WELL GREEN PRIMARY SCHOOL

POLICY FOR SMOKING

AIMS AND OBJECTIVES

- To encourage healthy choices for the children and adults at Well Green
- To promote healthier lifestyles and futures
- To give our pupils the skill and knowledge needed to make healthy choices
- To teach our children that the choices they make may affect their health, now and in the future

SCHOOL STATEMENT

As in line with Trafford LEA Guidelines, Well Green Primary School is a no smoking environment. It does not allow smoking in any part of the building. Smoking is also not allowed on any part of the school premises.

This policy has been shared with the staff and governors. All staff, parents and children are aware that both the school buildings and premises are 'smoke free' environments.

No smoking signs are clearly displayed around the school premises – in the ladies and gents' toilets, staffroom and entrance hall. Smoking cessation leaflets are freely available to parents, staff and pupils, and are available in the entrance hall or office.
